5. This is from Sandi Cahill: Ken Wilson had a bad fall a couple of months ago. There were no broken bones, but he did get a concussion and was in the hospital for 2 weeks. He is now staying in Sunrise at Fox Hill Assisted Living Center (very near his home & church) for physical therapy and to remain through the winter in order to avoid being out in any bad weather. He is recovering well. He can have visitors and calls. His daughter will relay any comments anyone would like to send him by e-mail. If you call him, let the phone ring long enough for him to get across the room. Below is all the info.

6. A memorial service for Kitra Burnham will be held at 2 p.m. on Saturday, February 25, at the United Methodist Church in Forest City, Iowa.
7. You can now register for the AVA Convention. To register online go to <http://2017AVAConvention.org> Note that there is a 10% discount for AVA Associate Members and 15% for Life Members. I have not yet tried to register but I have been told that it is pretty easy to go through the entire registration process and miss the point where you identify that you are entitled to the discount.
8. I have one copy of the AVA's Annual Audit Report. If you would like to read the report, it is on the AVA web site. There is also a link to the report on the February Checkpoint.
9. The fourth attachment is the February Checkpoint.
  - a. There is an article from the IT Committee. They are looking for suggested changes to the ESR system.
  - b. There are good articles on the On Line Start Box and the new IVV stamp.

Thanks,
